

Ordinance No. 15-07-01

**AN ORDINANCE AMENDING ORDINANCE 15-06-02
REGARDING THE COMMERCIAL SOLID WASTE HAULING
AND RECYCLING PROGRAM**

WHEREAS, the Village Board approved Ordinance 15-06-02 on June 8, 2015 which established the Village's Solid Waste Hauling and Recycling Program;

WHEREAS, the Village Board desires to amend the definition of "Participation Rate" as set forth in Ordinance 15-06-02.

NOW THEREFORE BE IT ORDAINED BY the Mayor and Board of Trustees of the Village of Round Lake Beach, Lake County, Illinois in the exercise of its home rule powers as follows:

Section 1: The above-stated recitals are incorporated by this reference.

Section 2: Section 6-10-1, Definitions of the Round Lake Beach Village Code relative to the definition of "Participation Rate" is repealed and replaced as follows:

Chapter 10 – Commercial Solid Waste Hauling and Recycling Program

"Participation rate" means the percentage of non-residential locations that have a hauler contracting for separate collection of recyclable materials, and is computed by setting as the denominator the total number of non-residential locations served by the haulers in the municipality with collection services for municipal waste as reported by the haulers, and setting as the numerator the total number of non-residential locations contracting with the haulers in the municipality with collection services for recyclable material. Such separate collection of recyclable materials shall be on a periodic basis and if less frequent than once every four weeks shall be reported on the municipal form provided pursuant to Section 6-10-3, C, 2. For purposes of computing the participation rate, if non-residential locations opt to share a container for collecting recyclable material the sharing of a container must be documented as being acceptable to those non-residential locations and as having adequate capacity to meet the recycling needs of the non-residential locations sharing the container. Such sharing of recyclable material containers shall be reported as recyclable material customers on the municipal form provided pursuant to Section 6-10-3, C, 2. If a non-residential location does not contract with a hauler for collection services for recyclable material, but does recycle recyclable material at its location, such recycling activity shall not count toward the participation rate calculated by the municipality.

Section 3: If any part of this Ordinance is found to be invalid, the invalid portion shall be deemed to be stricken and the remainder shall be in full force and effect.

Section 4: Any ordinance in conflict with this Ordinance is repealed to the extent of such conflict.

Section 5: This Ordinance shall be in full force and effect from and after its passage and approval.

Approved and passed this 13 day of JULY, 2015.

Ayes: 5 (TRUSTEES BUTLER, MOUNT, BENES, VALADEZ, WALLACE)
